Pro Controller

**OFFICIALLY LICENSED CONTROLLER REVOLUTION PRO CONTROLLER 2
FOR PLAYSTATION®4, DESIGNED BY BIGBEN UNDER THE NACON BRAND,
WILL BE AVAILABLE IN JAPAN STARTING JULY 26TH**

Lesquin (FRANCE), 2018, July 5th – Independent designer, manufacturer and distributor of peripherals, BIGBEN INTERACTIVE, proudly announces the upcoming release of the **Revolution Pro Controller 2 for PlayStation®4 (PS4™) in Japan**. Following a licensing and distribution partnership with **Sony Interactive Entertainment**, the Revolution Pro Controller 2 will be available starting **July 26th on the Japanese territory**.

“This is an invaluable consecration to see the Revolution Pro Controller 2, our most accomplished controller to this day and already worldwide best seller, finally being distributed in Japan.” declares Alain Falc, Founder and CEO of BIGBEN INTERACTIVE. *“Following our entrance into the Asian market earlier this year, this opening to Japan is really significant to us. As the birthplace of the PlayStation brand, we could not hope for a better opportunity and partner than Sony Interactive Entertainment to see the Revolution’s success story continue. We are extremely excited to see the results of this much-awaited collaboration.”* concludes Alain Falc.

In Europe, the Revolution Pro Controller 2 is now the best ally of many professional players, **whether for fighting games, sports simulation or AAA FPS titles.**

NACON’s **Revolution Pro Controller 2** – critically acclaimed in nearly 60 countries already - is meant to provide gamers a **new level of performance** on PS4™. Made for eSports players, this premium controller is also PC* compatible and includes a full range of new functions for further customization of its features.

Revolution Pro Controller 2 - Designed for eSports
