

BIGBEN AND BREAKPOINT STUDIO ANNOUNCE TENNIS WORLD TOUR

Lesquin, May 18th, 2017 - **Bigben** and **Breakpoint** are pleased to announce **Tennis World Tour**, the new standard for tennis games, due for release in **2018 on consoles and PC**.

In order to make the best possible game and match players' expectations, the studio has brought in an **experienced team which has worked on the "Top Spin" license**.

Pierre André, Game Designer on **Tennis World Tour** and former Producer on "Top Spin 4": *"For years we've wanted to create a new tennis game, a spiritual successor to "Top Spin 4". Technical evolutions now mean we can create the ultra-realistic simulation that we've been dreaming of."*

Benoît Clerc, Director of Video Games at Bigben: *"We are proud to give to all tennis fans a game worthy of their enthusiasm. The level of quality, wealth of content and game mechanics will ensure Tennis World Tour is one of the best sport simulations on the market."*

This desire to provide a faithful tennis simulation translates into demanding gameplay during rally, a wide range of playing styles and a strategic preparation that influences the course of each match.

In addition to that, **Tennis World Tour** lets you experience the career of a professional: **more than 30 playable tennis stars** including Roger Federer, Gaël Monfils, Angelique Kerber, Garbiñe Muguruza and many more.

More information about the game will be provided during Gamescom 2017.
