

THE SINKING CITY

The Sinking City will be available in the Epic Games Store

March 20th, 2019, Lesquin — **Bigben** is pleased to announce that *The Sinking City* will part of the Epic Games store catalogue as soon as it is released on June 27th. The digital PC version of the game will be sold as an exclusive on the Epic Games store for one year.

Taking place in the '20s, *The Sinking City* is an action and investigation game inspired by the works of **H.P. Lovecraft**, the master of horror. The player embodies Charles, a private detective, who comes to Oakmont, Massachusetts in order to investigate the cause of an unprecedented supernatural flood. Within this oppressive, murky atmosphere, the player must discover the origin of whatever has taken control of the city and the minds of its inhabitants.

Discover all the answers on June 27th, 2019 on PC, PlayStation®4 and Xbox One.
