Lesquin (FRANCE), September 1st, 2015 –**Bigben Interactive**, video game publisher and distributor, and **Kylotonn Games**, French racing game developer, are proud to unveil a new gameplay trailer of WRC 5 - the official 2015 FIA World Rally Championship (WRC) game. The game is scheduled for release in **Autumn 2015 on Xbox One**, the all-in-one games and entertainment system and **Xbox 360** games and entertainment system from Microsoft, **PlayStation®4**, **Playstation®3**, **PlayStation® Vita** and **PC**.

This brand new trailer features the Citroën **DS 3 WRC**, driven in 2015 by British driver **Kris Meeke**, Norwegian driver **Mads Ostberg** and **Khalid Al Qassimi** from the UAE, from the Citroën Total Abu Dhabi World Rally Team. After nine events in 2015, Mads Ostberg is currently in 4th place of the World Rally Championship. Citroen's first part of the season was marked by an amazing Xion Rally Argentina with the Kris Meeke and Mads Ostberg taking their places on the podium in first and second places respectively.

In the video, rally fans will have a good overview of different stages from WRC 5 under various conditions: night stages in Sweden, stormy conditions in Wales and Germany, scorching end of the day temperatures in Sardinia, Portugal and Spain, and also crazy jumps from Finland. Made from gameplay footage only, it also gives a true idea of the impressive work done by **Kylotonn Games** to recreate the different rallies from atmospheres and environments as well as realistic car physics.

The FIA World Rally Championship (WRC) pits drivers and production-based cars against some of the toughest and most varied conditions on the planet. In 2015, the roads on this epic motorsport adventure are spread across 14 countries, with 13 rallies on everything from snow packed forest tracks to rock-strewn mountain passes.

WRC 5 is scheduled for **Autumn 2015** and will be available for **Xbox One**, **Xbox 360**, **PlayStation®4**, **Playstation®3**, **PlayStation® Vita** and **PC**.

About WRC

Widely regarded as the most challenging motor sport competition in the world, the FIA World Rally Championship (WRC) puts cars and drivers in a series of three or four-day events through some of the toughest, and most varied, conditions on the planet. The roads on this epic motor sport adventure range from the ice and snow of Scandinavia to the stifling heat of Australia – over surfaces including packed ice, smooth asphalt and boulder-strewn rocky tracks. Established in its current format in 1973, in 2015 drivers and manufacturers – including Citroën, Hyundai, Ford and Volkswagen - battle for the title of World Rally Champions on rallies spread across 13 countries and 4 continents.
