About WRC

Widely regarded as the most challenging motor sport competition in the world, the FIA World Rally Championship (WRC) puts cars and drivers in a series of three or four-day events through some of the toughest, and most varied, conditions on the planet. The roads on this epic motor sport adventure range from the ice and snow of Scandinavia to the stifling heat of Australia – over surfaces including packed ice, smooth asphalt and boulder-strewn rocky tracks. Established in its current format in 1973, in 2015 drivers and manufacturers – including Citroën, Hyundai, Ford and Volkswagen - battle for the title of World Rally Champions on rallies spread across 13 countries and 4 continents.
