

BIGBEN ANNOUNCES THE OFFICIALLY LICENSED REVOLUTION PRO CONTROLLER 2 FOR PS4™

NACON™ launches new officially licenced controller for PlayStation®4

Lesquin (France), 2017, July 3rd – Independent designer, manufacturer and distributor of peripherals, Bigben Interactive, is proud to announce the upcoming release of the **Revolution Pro Controller 2 for PS4™**, following the licensing partnership with Sony Interactive Entertainment Europe (SIEE) Ltd.

Following the success of the Revolution Pro controller, which has sold over 250,000 units since December 2016, the evolved controller offers even more possibilities and a new level of performance. Constantly listening to its community of players and eSports partners, NACON™'s team have been working hard to satisfy their requests with **improvements and new technical features**.

The Revolution Pro Controller 2 will include, among other new features, manual configuration of the four shortcut buttons - for instant adjustments, customisation of the left stick in addition to the right, plus the ability to set the directional pad with 4 or 8 directions.

Revolution Pro Controller 2: The eSports accurate controller is back and better than ever!

Other features, requested by the gaming community, will give the **Revolution Pro controller 2** even more possibilities:

- **New improved customisation software UI**
- **Customisation software compatibility with Mac OS X 10.11 (El Capitan)/10.12 (Sierra) systems**
- **Fully customisable left stick and right sticks (dead zone and response curve)**
- **Possibility to set the directional pad with 4 or 8 directions**
- **Manual configuration of M1/M2/M3/M4 shortcuts on PS4™ Pro Control mode**

In addition to the above features, the **Revolution Pro Controller 2** is fully PC compatible* and equipped with a new **USB Type-C wired connection** for a simpler and safer use of the controller.

**PC compatibility not tested nor endorsed by Sony Interactive Entertainment Europe.*

The Revolution Pro Controller 2 will be released in the course of summer 2017 under the NACON™ peripherals brand throughout Europe, Africa, Middle East, Russia, India & Oceania. More information about the Revolution Pro Controller 2 will be unveiled soon.

The Revolution continues!
