

**BIGBEN PRESENTS
OFFICIALLY LICENSED WIRED NACON COMPACT CONTROLLER
FOR PlayStation®4**

*NACON is proud to bring a brand-new range
of officially licensed controllers to PlayStation®4*

Lesquin (France), October 11th, 2017 – The NACON™ brand continues to expand its range of gaming accessories and is pleased to present a new wired compact controller for PlayStation® 4 (PS4™), officially licensed by Sony Interactive Entertainment Europe, and available from **November 2017**.

Including innovative features such as a touch pad, stereo headset jack and vibration motors, the **Wired Compact Controller** by NACON™ provides optimal use for younger players and those who prefer smaller controllers. Its unique ergonomics ensures complete comfort, even for the longest of gaming sessions! **The Compact Controller has a soft touch finish and is available in a range of matt colours: Black, Grey, Red, Blue and Orange.**

Blue, Green and Red **Illuminated Wired Compact Controllers** will also be available from November. The stylish transparent designs feature all the same compact controller features, **plus extra colour LEDs*** that can deliver a range of striking lighting effects.

NACON™'s new **Wired Compact Controller** and **Illuminated Wired Compact Controller** ranges, will be available throughout Europe, Africa, Middle East, Russia, India & Oceania by November 2017, with an RRP of **39,90 euros** including taxes**.

Technical features of the Wired Compact Controller ranges by NACON™

- 3m long cable for wired control of the PlayStation®4 system
- 2 vibration motors
- SHARE, OPTIONS and PS buttons
- Touch pad
- LED player status indicator*
- 3,5mm stereo headset jack
- Soft touch finish or fully transparent casing Illuminated with LED* lighting
- PC*** compatible (X-Input)

The Wired Compact Controllers are the latest addition to NACON™'s range of Sony Interactive Entertainment Europe licensed products, joining the **Revolution Pro Controller** and more recent **Revolution Pro Controller 2** – providing PS4™ gamers with even more ways to play.
